The article title is "Iris Global, Integrates Facility for better Efficiency & Response", written by "Swaminathan Balasubramanian" "1 min ago" with "no comment".

A video player is embedded below the article, showing a blurred image of a building with the text "Iris Global Services" overlaid. To the right of the article is a Cisco advertisement for HyperFlex, featuring the text "Any application. Any cloud. Anywhere. Cisco HyperFlex makes it possible." and a "Get started" button.

Below the advertisement is a "JOIN US ON" section with social media icons for Facebook, Twitter, LinkedIn, and RSS. A "PRESS RELEASE" section is also visible below the social media links.

The Windows taskbar at the bottom shows various application icons, including the Start menu, Edge, File Explorer, and several instances of Chrome. The system tray on the right indicates the time as 8:51 PM on 1/18/2021.

### -Press Release

The Delhi based IT & Computer Related Product Distribution and Value Added System Integration Enterprise, Iris Global Services has consolidated its entire workforce following the opening of their new swanky, state of the art headquarters, at a not to be missed – all-glass façade building, named as the “Iris Global Tower” with the primary objective of improving work culture along with accelerating efficiency, said the Chairman of Iris Global, Mr Sanjiv Krishen.

Speaking to newsmen here today, Mr Krishen revealed that with better monitoring, their Manpower efficiency has already shown remarkable improvement and reflected in the company's overall performance, he added.

The most significant factor was when many private companies across all sectors were busy surrendering their rented space after the lockdown, Iris Global was expanding. Mr. Krishen revealed that they have enhanced their area under rental space resulting in the additional cost of over a whopping Rs 1 Crore.

The company has its tentacles spread over 27 locations across India for the speedy delivery of products at the endpoints. Mr. Krishen further disclosed that till date they have as many as 4,987 partners and many more are in the pipeline.

They have also completed 760 projects, across the country. The company commands a workforce of 250

efficiency has already shown remarkable improvement and reflected in the company's overall performance, he added.

The most significant factor was when many private companies across all sectors were busy surrendering their rented space after the lockdown, Iris Global was expanding. Mr. Krishen revealed that they have enhanced their area under rental space resulting in the additional cost of over a whopping Rs 1 Crore.

The company has its tentacles spread over 27 locations across India for the speedy delivery of products at the endpoints. Mr. Krishen further disclosed that till date they have as many as 4,987 partners and many more are in the pipeline.

They have also completed 760 projects, across the country. The company commands a workforce of 250 personnel of which 150 staff are stationed in Delhi, he revealed. Iris Global has been a distributor of choice for partners, delivering with their invincible personalized services. With this move, they are eyeing to further improve their response time.

Managing their staff at one point has also enabled the company to provide amenities with the object of further enhancing efficiency and improving work culture, he added. With orders and business pouring in, the company's move to the new infrastructure would further help partners and customers. They now find it easier to visit Iris Global since the new premises is more easily accessible with ample parking and in today's context – getting such space in Delhi will automatically work positively for any business.
