Chairman of Iris Global, Sanjiv Krishen revealed that with better monitoring, their manpower efficiency has already shown remarkable improvement and reflected in the company's overall performance.

The most significant factor is when many private companies across all sectors are busy surrendering their rented space after the lockdown, Iris Global is expanding.

Krishen revealed that they have enhanced their area under rental space resulting in the additional cost of over a whopping Rs 1 Crore.

The company has its branches spread over 27 locations across India for speedy delivery of products at the end points. Krishen further disclosed that till date they have as many as 4,987 partners and many more are in the pipeline.

The company commands a work force of 250 personnel of which 150 staff are stationed in Delhi. Iris Global, has been a distributor of choice for partners, delivering with their invincible personalized services.

With this move they are eyeing to further improve their response time. Managing the staff at one point has also enabled the company in providing amenities with the object of further enhancing efficiency and improving work culture.
