Speaking to newsman, **Mr. Sanjiv Krishen, Founder – Chairman, Iris Global** said that the supply of the Segment Leader products includes the best solution which can be provided for any mission critical applications.

“The most important part of the transaction is that the order was received from one of the Fortune 150 company and a leading American Software Enterprise. These UPSs would be in the range of 500 to 800 KVA and cost about Rs 4 crores each. They shall be installed at 3 Data Center at Hyderabad to handle their Data Traffic”
